

LET THE MDDGA HELP YOU....

Disc Golf is played by all levels of players, from beginners to pros. With the idea of minimal disruption of the terrain, a disc golf course can be developed in a matter of months. We can help with course design and man hours. Contact us for more information!

Consider offering a new activity to your park. Disc golf has been around more than 50 years and is played among all ages, genders and abilities. It's a great way to spend an afternoon at the park with friends and families alike. Disc golf continues to expand so let us talk to you about installing your course! Contact us for more details...

Disc Golf for your Park

Create a course off the beaten path and bring visitors with the interest of enjoying the natural setting of your park, while utilizing the off the beaten path location.

Park departments across the country have been pleasantly surprised at the level of enthusiasm shown by most disc golf clubs.

Youth Programs -EDGE - Educational Disc Golf Experience is a non-profit organization dedicated to bringing disc golf to youth.

Charity Events and Community Events

Disc golfer in motion to release his disc hoping not to catch a tree along the way. It takes some practice in gaining consistency, but everyone who plays will improve with every shot thrown.

Mainly for....

The MDDGA was formed in 2011 to increase disc golf awareness in our region. Disc golf is growing and exceeding some aspects of golf. This sport lends to all age levels and most basic skills. While anyone can play with Frisbees on a disc golf course, disc golf “Frisbees” used are a bit heavier and more dynamic in design, allowing for more distance and control. Most people can learn this sport in just a couple of rounds. We as a club is interested in helping you by providing valuable insight to the successful implementation of a disc golf course. We, the MDDGA can provide player perspectives, course design, materials to use, ways to save money, advertisements and postings to the disc golf community, both local and national. We also offer man hours needed to build a course in your park..

Back in the 60s

Disc golf was born in California in the 1960s by Steady Ed Hendricks and a few other invisionaries. Today, there are over 3000 courses in the United State, 4000 globally.

Disc golf has grown at a rate of 12 - 15 percent annually for more than the past decade and is played in more that 40 countries worldwide.

Disc golf offers a fun and challenging experience for a wide range of players. It can be played from school age youngsters through the golden years,

making it a terrific lifetime sport.

It's a great way to spend an afternoon at the park by yourself, with friends, or with the entire family.

Disc golf offers park and facility planners a flexible option to expand recreational sports to their patrons. Disc golf is an excellent option for an off-season activity. The lack of expensive equipment makes disc golf a great fit for rentals and sales on sight.

THERE'S MORE....

Social

- Disc golf offers park visitors a fun, healthy way to exercise with friends and family all year long

Economical

- Disc golf equipment is surprising inexpensive to install and maintain
- Takes very little money for players to get started

Environmental

- Disc golf can highlight the features of your property and utilize areas that can't support other activities.

Programming

- Disc golf can provide year round competitive and recreational activities for your park

Tourism

- A well designed course draws recreational disc golfers to your area. Disc golf tournaments and league activities can increase the park's usage
- Pay to play can be successful in areas without disc golf, and in areas close to resorts and destinations
